

DECLARATION OF PERFORMANCE

Agilent Product Family: Instrument parts and supplies for Waters, Shimadzu, Thermo, Bruker, PerkinElmer and Dionex instruments.

Quality Statement

Agilent Technologies operates under a Quality Management System registered to ISO 9001:2008 and places the highest emphasis on product quality and customer satisfaction. This Agilent product family is guaranteed to be fully compatible with the equipment for which it is specified. These products were designed to and are manufactured to meet a number of critical specifications set by Agilent engineers to ensure a perfect fit with your instrument.
